Your personal data

The information and personal data collected as part of this promotional operation are intended for HOLDHAM (Hamelin brands group), acting as the data controller.

Personal data is securely stored and processed on servers located within the European Economic Area

The personal data collected on this site are processed on the basis of the performance of the terms of the promotional offer to which the participant has consented. They are subject to computerized processing for the purposes of managing the cashback operation, verifying the eligibility of claims, preventing multiple, irregular or fraudulent participations, and handling any disputes. This data is accessible only to authorized personnel in the course of their duties and is neither transferred nor disclosed to unauthorized third parties.

Personal data is retained for as long as necessary to manage the promotional operation. It will be deleted or anonymized within a maximum period of three (3) months following the final closure of the operation, unless a legal or regulatory obligation, or the need to establish, exercise or defend legal rights requires a longer retention period.

In accordance with Regulation (EU) 2016/679 of 27 April 2016 ("GDPR") and applicable personal data protection laws, each participant has the right of access, rectification, erasure, restriction of processing and, where provided by law, the right to object to the processing of their personal data. These rights can be exercised at any time by sending a request to the following address: data.protection@hamelinbrands.zendesk.com.

If there is reasonable doubt about the identity of the requester, proof of identity may be required. As the processing of personal data is necessary for managing participation and issuing the reimbursement, any request to object to the processing before the operation is completed will make it impossible to process the related reimbursement request.

Participants also have the right to lodge a complaint with the competent data protection authority of their country of residence or of the place where the alleged violation of their personal data protection rights occurred
